

Lemon Poppy Seed Cake (Carla)

¼ cup poppy seed and
1 c boiling water.

Pour boiling water over poppy seed and let stand a few minutes.

Mix:

1 large lemon cake mix,
1 lemon instant pudding mix,
4 eggs and
½ cup oil.

Blend and beat 2 minutes.

Beat in poppy seed.

Bake 45 minutes in a greased bundt pan at 350.

Let stand 15 minutes.

Loosen edge and remove from pan.

Drizzle icing over.

One year Carla did not till up her garden. The poppies from the previous year populated the whole garden so in the fall she harvested cups and cups of poppy seed. It was really beautiful to see.
