“ Monday, July 02, 2007 3:52 PM. Hey Hi! Got home a few hours ago, mo-dalon (French lessons) and am a making moms bun recipe (cause you bastards won't let me take. Please print off this recipe as I promised it to Mom. Oh yeh. You guys really are my favourite sister and bro-in law.....”

1 egg + lukewarm water. 2 tblsp packed brown sugar, 2 tblsp powdered milk, 1 ¼ tsp salt, 2 tblsp butter, 3 ¾ c white flour, 1 tsp cinnamon, 1 ¼ tsp yeast.

Add ingredients (when alarm says so) ½ c raisons, and ¼ c sunflower seeds (unsalted) my addition but ??? (this was cut off)

Add egg to measuring cup. Fill to 1 ¼ c mark with water. Add to baking pan, along with next seven ingredients listed.

Select “sweet dough” and 1 ½ lb loaf setting on breadmaker

At “beep” add raisons and sun seed (if you choose)
