

Uncle John Bischoff's Old Fashioned Sausage

40 pounds pork,
6 pounds beef,
8 ounce cup dairy salt (fine pickling salt-
non iodized)
½ c pepper,
About 1 brown sugar dissolved in 1 quart
water,
Garlic water to taste. Crush garlic head
and add into 1 pint water and let stand
awhile.

If pork is pretty fatty, you can add a few
more pounds beef.

Mix well and put in casings.
