

# Strawberry Freezer Jam

3 cups strawberries,  
6 c sugar,  
1 box Certo crystals.

Wash, stem, and crush fully ripe fruit. Place in large bowl. Add sugar and stir well.

Combine  $\frac{3}{4}$  c water and Certo crystals in small saucepan. Bring to a boil and boil hard 1 minute stirring constantly. Stir into crushed fruit. Continue stirring constantly – about 3 minutes. There will be a few remaining sugar crystals.

Ladle into glasses. Let stand 24 hours – then store in freezer.
