

# Green Leaf Lettuce Salad

Grandma Grimm

Break up green leaf lettuce (like grown in garden) into a salad bowl.

Mix: 1 c cream,  $\frac{1}{2}$  c cold water, pepper,  $\frac{1}{4}$  tsp salt,  $1 \frac{1}{2}$  handful sugar, and 2 tblsp vinegar or to taste.

Mix and add to lettuce and then add about 6 ice cubes.
