½ tsp salt,
3 eggs,
1 c milk,
2 -3 tblsp roast drippings.

Preheat oven. Combine flour and salt in small mixing bowl and set aside. Beat eggs with a fork, add milk and roast drippings. Mix well and pour into dry ingredients. Beat at high speed on electric mixer until batter is smooth – about 2 minutes.

Spray muffin tins or 8 x 8 pan. Heat oven until very hot. Pour in batter and return to oven immediately. Bake in a hot oven until puffed and brown, gradually lowering temp. Try:
